**SUBJECT:—Import policy for Machine Tools falling under Part VI during January-June, 1957.**

**No. 18-ITC (P.N.)/57.**—Attention of the importers is invited to Appendix XI to the current Red Book which lays down the import policy for Machine Tools during January-June, 1957 period.

2. The position regarding import of Machine Tools and moulds required for the plastics industry has been reviewed and it has been decided that import of 'Injection moulding machines (Plastic) and moulds therefor' will not be permitted to established importers of Machine Tools during January—June, 1957.

3. Requests for import of 'Injection moulding machines (Plastic) and moulds therefor' from Actual Users will, however, be considered on an *ad hoc* basis by the D.O. (Tools).

New Delhi, the 26th February 1957

**SUBJECT:—Grant of Actual Users licences for certain items to Sports Goods Industry.**

**No. 20-ITC (PN)/57.**—As a result of certain representations from the Sports Goods Industry, the question of granting Actual User licences for meeting the essential raw materials required by this industry has been reconsidered. With a view to enable larger exports of sports goods, Actual User applications from this industry will be considered for import of:

- (i) Cork wood;
- (ii) Linen thread;
- (iii) Feathers; and
- (iv) Shuttle-Cock, Cork bottoms.

2. Applications in the prescribed form and manner may be submitted to the licensing authorities at the ports, as early as possible but not later than 30th April, 1957. These applications will be dealt with on an *ad hoc* basis.

3. Applicants should also state the extent and details of past exports, if any, made by them of sports goods during the years 1954-55 and 1955-56.
